

## Parent How-to-Guide: Timetable

The 'Timetable' area of EduLink displays the child's class timetable.

In the web browser, a parent can click on the relevant day of the week to view their child's timetable for that day of the week. In the app, a parent can swipe over the day to change the day of the week.

A parent can use the drop down menu which defaults to 'This week' to view the following week's timetable.

In the app, a parent can switch between their children's timetables using the  symbol.
