# CORONATION CELEBRATIONS

## Primary – Reception – Year 6

Primary Students were treated to using an inflatable assault course and inflatable slide. The students had much fun racing each other and showed excellent manners when waiting. Judging from the happy, smiley faces, they had a lot of fun.

## Secondary – Inter- House Tug of war competition

Mixed boys and girls in each team rose to the challenge! They all showed ambition, determination and most importantly every student worked as a team.

The Inter-house Tug of War competition was a great success in Years 7, 8 & 9 with House Points awarded to winning teams!

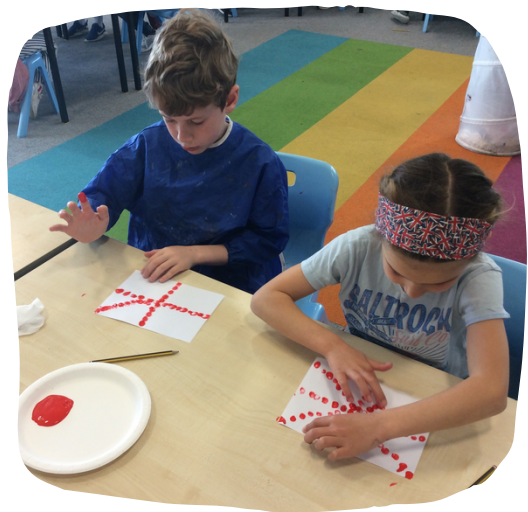

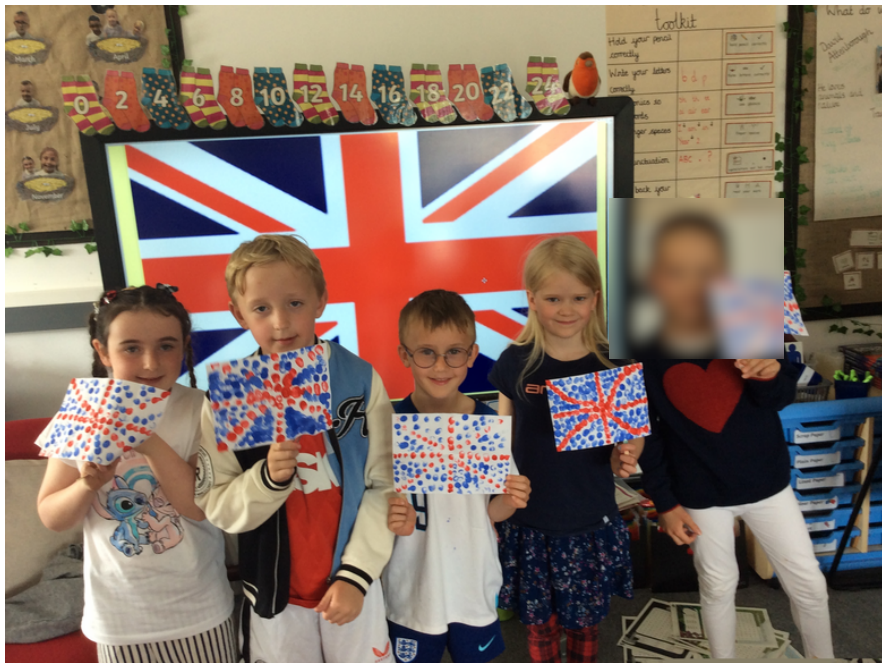

# Primary

## Year 2

Robins had a fun filled morning creating their own flags for the King's Coronation, drawing upon their previous art knowledge of pointillism.

# Sixth Form

Years 12 and 13 in Gildredge House Sixth Form wanted to dress in red, white and blue to mark the Coronation of King Charles the Third. It was a charming atmosphere at school all day and it felt nice to celebrate such a special occasion.

## YEAR 9

### 35th Eric Twiname Championships

Last weekend one of our Year 9 students competed in the 35th Eric Twiname Championships at Rutland. He represented London & South East against the other regions in the UK, including Scotland and Wales. This event is an important part of the sailing and windsurfing calendar, with dinghies and windsurfers racing over three days for their regions.

London & South East were the top windsurfing region and he finished 5th U15 boy in a fleet of 13, this was a remarkable achievement considering his experience.

This is his first time at the event, with a lot of his competitors having two or three years more experience than him.

Thank you to everyone that has supported him! He is so happy with the support that he has received from his teachers. Well done from everyone at GH HQ!

We love to celebrate our student's success, so if your child has recently taken part in a sporting event or an academic endeavour then please let us know at [communications@gildredgehouse.org.uk](mailto:communications@gildredgehouse.org.uk).

# Primary Year 4

On Friday 28th April, Year 4 held a parade around Gildredge Park to celebrate its centenary anniversary. The children were dressed in a riot of colour and marched enthusiastically between the stations, following the beat of the drum.

Over the course of 6 stops, throughout the park and gardens, the children showcased their newfound knowledge of the park and its history.

They demonstrated their many talents including performing drama sketches, delivering site-specific performance poetry and creating artwork based on the Towner gallery and the artist Eric Ravilious.

The parade was well attended by both parents/carers and members of the local community. The Year 4 teachers were very impressed with how well the children embraced performing al fresco and wanted to congratulate them on all their hard work.

# YOUNG CHEF OF THE YEAR COMPETITION

*Do you like cooking?*

by Mrs Chalk

**2023**

## Could you be our Young Chef of 2023?

### *"A dish fit for a King"*

*Imagine you have been asked to cook a meal for King Charles – we would like you to design a dish to celebrate our King and his recent Coronation. King Charles believes very strongly in supporting British produce and a large amount of food is grown in his own estates in England and Scotland. He is said to like quite simply prepared food, not too spicy, of very good quality and he is an expert gardener who loves organic produce.*

*Your food teacher (Mrs Chalk) will organise the first round of the competition in your school, one finalist from each year group (years 7/8, and 9/10) will be chosen and then you will get together with the finalists from other schools where a team of judges will choose the overall Eastbourne Young Chef of 2023*

*What will you need to do in the first round?*

- *Submit your initial idea of a hot main course meal*
- *You will need to work out the cost of the ingredients of each meal (examples are available of how to do this) this must not exceed £4.95 per portion*
- *You must also create and cost (but not prepare) a suitable starter and dessert to accompany the main meal*

*If you are selected you will be invited to attend after school to cook your main meal. A local head chef will be invited in to choose the 2 finalists from each key stage to compete against other schools. The final will be held in Cavendish School on 27 June 2023 and you will have 1.5 hours to cook two portions of your hot main course meal. For more information or questions please contact Mrs Chalk.*
